VEHICLE REGISTRATION NUMBER:	

Any vehicles brought to any PVM building should comply with the following requirements:

- Drip tray to be placed underneath the vehicle and remain for the duration of the event.
- Fuel tank needs to have a limited amount of fuel in the tank (1/4 tank)
- The motor vehicle engine is to be run until all fuel in the fuel line is exhausted.
- Vehicles in exhibitions will not be started and run without the prior permission of PVM.
- A PVM representative must be present and authorise any vehicle movement in the venue/s.

Vehicle load in / out procedure:

- Approved vehicles will receive indication of load in time from PVM, in consultation with event organiser.
- Vehicle will arrive at Gate house at indicated time to sign in and await further instruction.
- Once given the go ahead vehicle will move into position with guidance from PVM representative.
- Ignition keys are to be left with a PVM representative for the duration of the vehicle being left onsite.
- PVM representative will hand over keys and indicate appropriate load out time at end of event.
- Once given the go ahead vehicle will load out of venue with guidance from PVM representative.

By signing this document, the undersigned acknowledges that the above has been read and understood.
